## FORWARD-LOOKING STATEMENTS AND DISCLAIMERS

Certain statements made by us in this presentation that are not historical facts or that relate to future plans, events or performances are forward-looking statements within the meaning of the federal securities laws. Forward-looking statements predict or describe our future operations, business plans, business and investment strategies and portfolio management and the performance of our investments and our investment management business. Our actual results or actions may differ materially from those expressed in any forward-looking statements made by us. Forward-looking statements involve a number of risks of uncertainties including, but not limited to, the risks described under headings such as “Risk Factors” in our SEC filings. All forward-looking statements are qualified by those risk factors. All statements made by us in this presentation are further qualified in all respects by the information disclosed in our SEC filings. We disclaim any obligation to update our forward looking statements unless required by law.

Certain information discussed in this presentation (including information relating to portfolio companies) was derived from third-party sources and has not been independently verified and, accordingly, Prospect Capital Corporation makes no representation or warranty in respect of this information.

The following slides contain summaries of certain financial and statistical information about Prospect Capital Corporation. The information contained in this presentation is summary information that is intended to be considered in the context of our SEC filings and other public announcements that we may make, by press release or otherwise, from time to time. We undertake no duty or obligation to publicly update or revise the information contained in this presentation. In addition, information related to past performance, while helpful as an evaluative tool, is not necessarily indicative of future results, the achievement of which cannot be assured. You should not view the past performance of Prospect Capital Corporation, or information about the market, as indicative of Prospect Capital Corporation’s future results. This presentation does not constitute an offer to sell or the solicitation of an offer to buy any securities of Prospect Capital Corporation.

## WHY PROSPECT?

Prospect Capital is one of the largest multi-line Business Development Companies (BDCs), providing debt financing to private middle-market companies and investing in other credit-related strategies

### SIGNIFICANT SCALE

- ▶ Founded in 2004, PSEC is one of the largest BDCs with ~\$6.3 billion in capital under management<sup>(1)</sup>
- ▶ Scale allows us to target larger, more credit-worthy middle-market companies with one-stop financing solutions
- ▶ One of the largest teams in the industry focused on middle market lending (90+ professionals)

### BROAD ORIGINATION MIX

- ▶ Multiple yield-oriented origination strategies with upside potential
- ▶ Differentiated strategies drive high net yields
- ▶ Superior and proprietary deal flow channels

### PROVEN INVESTMENT PHILOSOPHY

- ▶ Intensive screening process (<5% book-to-look ratio) with a majority focus on senior and secured lending
- ▶ Diverse portfolio of 135 investments across 38 industries and low non-accruals
- ▶ Independent third-party portfolio valuations

### SOLID FINANCIAL FOUNDATION

- ▶ Investment grade ratings from S&P, Kroll, and Egan-Jones
- ▶ Laddered liability structure with long-term matched-book funding
- ▶ Approximately 77% of assets unencumbered and prudent leverage

### ATTRACTIVE VALUATION

- ▶ Monthly dividend of \$0.06/share, current annualized dividend yield ~10.0%<sup>(2)</sup>
- ▶ Potential for capital appreciation based on discount to NAV
- ▶ Established historical track record and strong insider ownership

## RIGOROUS AND INDEPENDENT VALUATION PROCESS

### INDEPENDENT THIRD-PARTY VALUATION

- ▶ Every investment is marked quarterly and has been marked since inception at fair value by a third-party
- ▶ Third-party valuation agents complete a review of all assets with positive assurance (i.e., not merely a “negative assurance” process)

### SENIOR PORTFOLIO MANAGER

- ▶ Preliminary valuation discussions are documented and discussed with senior Prospect management

### AUDIT COMMITTEE

- ▶ Prospect’s Independent Audit Committee reviews the preliminary valuations
- ▶ Prospect Capital Management and the third-party valuation agent respond to and supplement any information required by Prospect’s Audit Committee

### PROSPECT’S BOARD OF DIRECTORS

- ▶ Prospect’s majority independent board of directors determines the fair value of each investment in the portfolio based on the third-party valuations and recommendations from Prospect’s Audit Committee
- ▶ To date, the Board’s final valuations have never been outside the range provided by the third-party valuation firm

## DIVERSIFIED FUNDING SOURCES

- ▶ Access to diversified funding sources across multiple investor bases
- ▶ Emphasis on unsecured term debt with no financial covenants or cross defaults with revolving credit facility
- ▶ Prospect's corporate credit rating is BBB by Kroll, BBB by Egan-Jones, and BBB- by S&P

Source: Company filings. Quarterly returns based on the line item "net increase in net assets resulting from operations" on the income statement. To calculate a quarterly return rate, quarterly returns were divided by the sum of the net asset value from the prior quarter's filing (beginning net asset value) and half of the change in paid-in capital between the prior quarter and the then-current quarter. Annual and cumulative figures derived from compounding of quarterly returns.

1. Total return average was calculated by taking the geometric average of all quarterly returns and then annualizing this return by multiplying it by four.
