### Instructions *For any help or questions please call 855-422-3223 or email [psecredemptions@pcsalts.com](mailto:psecredemptions@pcsalts.com)*

Prospect Capital Corporation (PSEC) accepts redemption requests on a continual basis with deadlines on the last business day of every month (a "Holder Redemption Deadline"). Requests will be processed once a month with settlement up to 2 months later. If you hold your Series A5 Shares or Series M5 Shares directly as a shareholder of record through the Direct Registration System ("DRS"), cash proceeds will be remitted via check. A wire can be requested, but a \$100 fee will be deducted from the payment to the shareholder. ACH is not available. If you hold your Series A5 Shares or Series M5 Shares through the Depository Trust Company ("DTC" i.e. in "street name"), cash proceeds will be remitted to your qualifying brokerage account. PSEC's transfer agents may coordinate further with institutions based upon the information provided to properly deliver cash.

Redemptions of the Series A5 Shares and Series M5 Shares are subject to the limitations of (i) 2% per month of the outstanding Series A5 Shares and Series M5 Shares, in aggregate, as of the end of the most recent fiscal quarter, (ii) 5% per quarter of the outstanding Series A5 Shares and Series M5 Shares, in aggregate, as of the end of the most recent fiscal quarter, and (iii) 20% per annual redemption period (the then current fiscal quarter and the three fiscal quarters immediately preceding the then current fiscal quarter) of the outstanding Series A5 Shares and Series M5 Shares, in aggregate, as of the end of the most recent fiscal quarter, plus for each redemption limit set forth above in clauses (i) through (iii) of this paragraph, an amount of such Series A5 Shares and Series M5 Shares equal to the lowest excess, if any, between the corresponding applicable 2% / 5% / 20% redemption limits for the Series A4 Shares and Series M4 Shares as set forth in the terms of the Series A4 Shares and Series M4 Shares and the respective amounts requested for the Series A4 Shares and Series M4 Shares on a Holder Redemption Deadline for the Series A4 Shares and Series M4 Shares, and that such capacity limitations are applied on an aggregated basis with death put redemptions as described in the Prospectus (whether of Series A5 or Series M5). Redemption capacity will be allocated on a pro rata basis based on the number of Series A5 Shares and Series M5 Shares submitted in the event that a redemption is oversubscribed. If a redemption is oversubscribed and not all Series A5 Shares and Series M5 Shares, as applicable, are redeemed, this form must be submitted again for the remaining shares. If you participate in the Preferred Stock Dividend Reinvestment Plan, completion of this form below will not automatically disenroll you from the Preferred Stock Dividend Reinvestment Plan.

#### For All Redemptions:

- This form must be completed with an Original Medallion Stamp Guarantee,
- Signatures of all required investors, and
